## ○音声確認

これから音量が適切であるかを確認します。  
ポンという合図の後、音量調節のための英語を流します。これは問題そのものではありませんので、内容を把握する必要はありません。  
英語の音声は約30秒流れますので、その間に適した音量に調節してください。  
音声の最後に、イヤホンを外すよう指示があったら、すぐに外し、机の上に置いてください。  
それでは音量の確認を始めます。

M: Let's talk about the newsletter.

W: OK, let's check what we've got so far. We've decided to have one main story and one short story, right?

M: Right. And what about pictures? Should we have one for each story?

W: I'm not so sure about that. Maybe it would be too much. How about just for the main story?

M: That sounds good. Now, what will our stories be? We could do one about the students who visited from Hawaii. Maybe we could use one of the photos they sent us.

これで音量の確認は終わりです。  
これからイヤホンを外してもらいます。その時に、イヤホンが机に当たって音を立てないように注意してください。  
では、イヤホンを耳から外し、静かに机の上に置いてください。

After we finish around noon, stop by the Community Center to receive a free ticket for a movie of your choice at any of our local theaters. This is our way of saying thank you for volunteering.

Questions No. 23 to 25

In 1995 a special prize for female novelists, called the Orange Prize for Fiction, was established in Britain. The point of giving this prize was to encourage women writers and attract more attention to their works.

Recently, in order to find out if people's reading habits had changed since the Orange Prize was started, researchers asked a group of 100 British professors and writers about the novels they read. This group included both men and women. All of these 100 people said they supported the Orange Prize and that they never chose or avoided a book because of the author's sex.

Nevertheless, it was found that the men mainly read works by other men. When the researchers asked, "What novels by women writers have you read recently?" a majority of the men found it hard to recall or could not answer. However, when asked the same question, many of the women were able to name several book titles. The researchers concluded that although men seem to support the Orange Prize, it appears that they choose to read novels written by men.
